

We woke up this morning  
Like we always do  
And looked out the window  
At our beautiful view

But today was different  
It wasn't the same  
Anabel who wakes with us  
To the Bed, never came

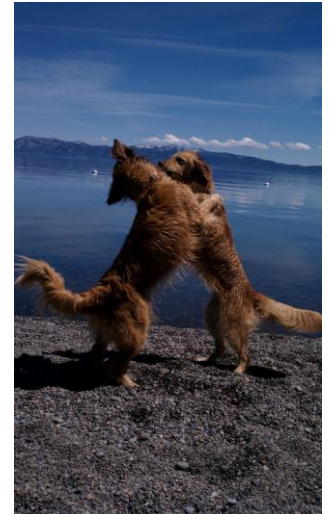

Yesterday  
We had to let "little Anabel" go  
It isn't easy  
As most of you know

Most of you know  
She had a bout of cancer in May  
But we were blessed with 8 more months  
So we could swim, ski, run and play

Anabel was 10 and half  
And not even quite grey  
She was quite petite  
But tough in her own way

Anabel Tuesday  
This Was her favorite day  
When she was left with Molly  
Her best pal to play

On morning's of Anabel Tuesday  
Mama Patsy always left a decorated treat  
Which Anabel did not hesitate  
To run inside to eat

Mama Patsy and Papa Larry  
Anabel loved them so  
The Sevison's was definitely  
Her favorite place to go

She ran 6 miles  
A few days before  
She had given no warning  
Till she didn't eat her apple core

If there's one thing I have learned  
From having and losing a pet  
Is to next time not say  
Or do things you regret.

Today life went on  
Despite the loss of our Bell  
Our view is the still the same  
And it will be there tomorrow as well

We Love you Anabel  
We Love you Bell  
We Love you Bella  
We Love you Bellie  
We Love you Bell Bell  
We Love you pumkin  
We Love you "little one"

We will miss you very very much!  
And When we awake and see our beautiful view  
We will always think of you
